Re: Motion for Extension of Time to File Second Amended Complaint

Jia Wang Lin v. Canada Goose Inc., No. 21-cv-07614 (LGS), (S.D.N.Y.)

Your Honor,

We represent the Plaintiff in the above referenced matter. We write respectfully to request an extension of time to file the Second Amended Complaint due today, January 18, 2022. The reason for the extension request is because the plaintiff, Jia Wang Lin, cannot come to our office and verify the second amended complaint because was diagnosed with COVID-19 on January 5, 2022. We are in possession of a copy of his PCR test results and can present same to the Court for in camera review.

Though Mr. Lin had quarantined for 12 days, as of yesterday, January 17, 2021 he remained symptomatic with a persistent cough. The Center for Disease Control's current guidelines suggest that we wait till 5 days after all symptoms have stopped before initiating contact. None of the office members have COVID-19 and we do not wish to risk infection.

We have emailed and spoken with Defendants' counsel who did not consent but would defer to the court's scheduling order.

We anticipate that Mr. Lin will be ready to come to the office after 5 full days once he no longer has symptoms. As such, we estimate that he should be able to come to the office within three (3) weeks from today, that is, by February 8, 2022.

We thank your honor for your time and your consideration in this matter.

Respectfully submitted,
